The Court has considered the agreed motion of the parties requesting an extension of time to file pretrial motions, and trial. The Court finds as facts the facts stipulated to by counsel in that document, including the following:

1. That counsel for the defendant requires additional time in which to investigate the charges currently pending against the defendant in this matter, and to consult with her client, who is currently unavailable due to a contagious disease. Without an extension of speedy trial time, the defense would be denied reasonable time necessary for effective preparation.

2. The parties agree that it is appropriate for this Court to enter an order extending the speedy trial time under 18 U.S.C. § 3161(b) until September 26, 2005, and that the ends of justice served by granting the requested extension of time outweigh the best interests of the public and the defendant in a speedy trial.
